UM'S 14TH SPRING VIENNA PROGRAM GETS ROLLING WITH PREREGISTRATION

MISSOULA --

Students who want to participate in the University of Montana's Spring in Vienna program March 29-June 5, 1988, should begin planning now. Participants must have five quarters or the equivalent of German and must enroll winter quarter in German 200, "Introduction to Austrian Culture." Preregistration for winter quarter begins Oct. 26.

The Vienna curriculum, which consists of five courses totaling 16 credits, emphasizes the German language and Central European Culture. But the program invites students from all departments in any of Montana's universities. In past years, students majoring in history, political science, English, journalism, geography, environmental studies, psychology, music and art have participated.

Students live in Austrian homes, are given ample free time to explore Vienna and its environs, and have the option of staying in Europe for the summer. The total cost, depending on personal life style, is \$3,165-3,465.

For information, call or see German Professor Horst Jarka, 1988 program director; 243-5001 or 243-2401; Liberal Arts Building, Room 327.
